Transcript

This is the Cambridge English: First Listening Test. Test Two.

I'm going to give you the instructions for this test. I'll introduce each part of the test and give you time to look at the questions. At the start of each piece you will hear this sound:

tone

You'll hear each piece twice.

Remember, while you're listening, write your answers on the question paper. You'll have five minutes at the end of the test to copy your answers onto the separate answer sheet.

There will now be a pause. Please ask any questions now, because you must not speak during the test.
